I _____ covenant with
(name)

Crossroads Church of Denver, to be a faithful, available and teachable small group leader. I will seek to uphold the qualities of a small group leader (as outlined) to the best of my ability. If I have problems or struggle either in the context of the group or my life in general, I will inform those in authority over me and work with them to find viable solutions. I make this commitment before God and trust that He will use me in the life of others.
